

# God's Big Picture

A six part overview of the Bible by Paul Coulter

- Part 1** – Why look for a “Big Picture”?
- Part 2** – Creation and Universal Decay
- Part 3** – Israel: Abraham to Solomon
- Part 4** – Israel: Decline and Prophetic Hope
- Part 5** – Christ and Church
- Part 6** – Universal Restoration and New Creation

## Essay Titles

Choose **one** of the following themes and trace its development throughout the seven stages of Creation History presented in the course:

- The Kingdom of God
- The Word of God
- The place where God dwells with His people

You should show how the understanding of this concept developed through each stage of history providing Scripture references to support your claims.

**OR**

*“The relationship of the Old Testament to the New Testament is primarily one of discontinuity”*. Give reasons why you either agree or disagree with this statement.

Word Limit:

Essays should be between 1200 and 1400 words

Submission:

Please submit to the BBC Reception (where you will complete a cover sheet) by two weeks after the last class of the course.
